### **GUIDELINES FOR EMERGENCIES**

When an **emergency** occurs at JUC immediate action needs to be taken to maintain utility services, building facilities, to protect property and people from dangerous conditions, or other health and safety issues. Those present should take the following action. Notify the Office Staff person or the Campus Caretaker at once for instructions on how to correct the problem. If persons present cannot correct the problem the Campus Caretaker can then give instructions on who should be called. If the Campus Caretaker cannot be reached then these people should be called in the order listed.
